An Occasional Table, or Trolley, by Ico Parisi (1916-1996)

An architectural two-tier table, or trolley, on wheels, the octagonal walnut shelves supported by nickel-plated brass supports that 'slice' through the wood to form handles on two sides and taper down to meet as legs, resting on it's original castors.

Italy, circa 1959

H 67 x D 62 cm

Literature :

Ico Parisi, Design Catalogue Raisonné, p. 597.
